Mansfield Rid Litter Day

Let's Clean Up Our Town

Rid your neighborhood of litter by getting a few of your neighbors together on Saturday, April 30, 2016 to pick up litter. Roadside wooded areas and wetlands collect a lot of debris. Not only is litter unsightly, plastic litter can be harmful to wildlife. Littered cans, glass and plastic bottles can be recycled and you are encouraged to keep them separate from other roadside litter. If you have bags of litter that exceed your household trash collection service, please contact the number below. You may take bags of litter to the Mansfield transfer station for no charge. The transfer station is located on Route 89, one mile from the intersection of Routes 195 and 89 in Mansfield Center.

For more information about Rid Litter Day or the Adopt-A-Road program, call the Public Works Office at 860-429-3333.
