Ms. van Zelm noted that UConn’s $150,000 contribution had been received after September 30.

Ms. van Zelm noted that the supporter letters will go out in mid-February.

She said the reason insurance was over budget was because property insurance now covers the Partnership’s events on Paterson Square.

Ms. van Zelm provided a corrected analysis of the balance in each of the major event funds. All events are operating in the black.
4. Review and approval of reclassification of Communications and Special Projects Manager

Ms. van Zelm reviewed her memo and analysis to reclassify the Communications and Special Projects Manager position. She said the position had not been reviewed since 2011 and the position requires additional tasks and more responsibility.

After discussion, Ms. Patwa made the following motion. Mario Conjura seconded the motion:

Move, effective January 1, 2020, to recommend to the Partnership Board of Directors the changes in compensation and job description/title for the Senior Communications Manager as presented:

- Change the job title from “Communications and Special Projects Manager” to “Senior Communications Manager.”
- Approve the revised Senior Communications Manager job description as presented.
- Set the pay range for the Senior Communications Manager at $60,332 – 78,353/yr or $28.89 – 37.53/hr.

Ms. van Zelm said UConn reiterated that it would not contribute to the cost of the Partnership providing economic development services to the Town. She said there would be further discussion with Town staff about funding a half-time person to perform economic development administrative duties for the Town, without UConn financial assistance.

Ms. van Zelm said health insurance costs have gone down and she is waiting for a final number from the Town Finance Department.

The budget includes increases for Partnership staff pending annual evaluations.
