Superintendent’s Proposed Budget
2020-2021
It is the mission of the Mansfield Board of Education, in partnership with the Mansfield community, to ensure that all children acquire the knowledge, skills, and attributes essential for personal excellence in learning, life, and work within our global community.
Core Beliefs

• It is our obligation to teach academic and social skills while promoting the emotional, physical, and behavioral development of all children.

• Children thrive and experience success when we provide instruction and opportunities that value individual abilities and interests.

• Equal access to our district’s programs and services will be afforded to all children.

• All children and staff deserve a safe, secure and supportive school environment.

• Schools excel when staff engage in continuous improvement of practice and life-long learning.

• It is the responsibility of our schools to engage, support, and involve families.

• Our schools are strengthened when the school and community work together, each contributing to the success of the other.
District Framework

• The district is committed to promoting rigorous academic outcomes, social skills, and the habits of mind necessary for growth in life, learning, and work beyond school including the ability to communicate effectively, work collaboratively, and think critically and creatively.

• The district is committed to providing student-centered instructional practices that are responsive to student learning styles, promote resilience, and allow for personalization and individual growth in academics and the related arts.

• The district uses purposeful assessments to inform instruction and monitor individual student progress aligned with learning goals.

• The district supports embedded professional learning that advances the goals of the district and engages staff in continuous improvement.

• The district celebrates the unique and diverse community of Mansfield by building partnerships between families, schools, and the larger community.

• The district works in a fiscally responsible manner to align its organizational systems and resources to achieve established goals.
Achievements

• Southeast School and Vinton School were both recognized as top elementary schools earning the designation of School of Distinction for high performance and high growth (Southeast).

• Grade 5 science assessment scores 15th in State

• Grade 8 science assessment scores 6th in State.

• Eighty-eight students participated in the CT Regionals History Day Project. Thirty-one advanced to State History Day and five students moved onto National History Day.
Achievements continued

• Teachers and administrators regularly present at local, national, and international conferences.

• Science Quiz Bowl Team qualified to participate in National Science Bowl Competition in Washington D.C.

• The Little Mermaid School Production: Over 300 people involved, most highly attended production on record, students created set and costumes

• Math Counts Competition: Two students qualified for the state competition.

• Grade 5 Science received a Baylor University and HESS STEM Grant.
Moving into the Future

♦ Deepen student centered practices across all content areas.
♦ Develop assessments that integrate academic and Portrait of the Graduate skills.
♦ Continue to expand teacher directed professional learning experiences.
♦ Revise school to home progress reporting practices and documents.
