5. Executive Director Report

In lieu of a report from the Executive Director, Toni Moran provided an update on efforts to change state regulations requiring a petition and referendum at the local level to allow the sale of alcohol in town. She explained that this is the only instance where state law requires such local actions, which have proven to be an obstacle to businesses looking to open or expand their offerings in Mansfield. She said that she and Mr. Ferrigno testified before the General Law Committee in support of the proposed House Bill 5293 which would eliminate the state requirement for a petition and referendum while leaving local regulations in place. Ms. Moran noted that their testimonies were supported by written submissions from each of them and from the Town’s Planning and Zoning Commission. She added that they received a positive response from the Committee and are optimistic the bill will be supported.

6. Review and Approval of Partnership FY2020-2021 Budget

Mr. Bacon briefly explained the budget process. Ms. Moran explained the major changes from previous years, including the salary increase for the Senior Communications Manager and the increased costs of economic development efforts.

Ms. Workman asked for clarification regarding the Town’s commitment. Mr. Carrington explained that the Town makes scheduled payments, and one payment is forthcoming.

Ms. Pelletier moved to approve the budget as presented. Mr. Carrington seconded the motion. The motion was approved unanimously.

7. Review and Approval of Partnership FY2020-2021 Budget

Mr. Bacon noted that he had received only two assessments from Board members to date. He asked the group if they still saw value in the process.

Ms. Pelletier said she thought it was important and helpful for the Board to conduct periodic reviews but suggested the format of the form might be tweaked to encourage timely responses.

(Ms. Shea returned at 5:05 PM.)

Mr. Bacon asked the group to commit to returning their completed assessments by March 31, 2020.
8. Business Outreach and Next Steps
