

**DRAFT MEETING MINUTES**  
**MANSFIELD PLANNING AND ZONING COMMISSION**  
**SUB COMMITTEE ON INFRASTRUCTURE NEEDS**  
**SPECIAL MEETING**

**Wednesday, July 15, 2015 ■ 2:00 PM**

Audrey P. Beck Municipal Building ■ 4 South Eagleville Road ■ Conference Room C

**1. Call to Order**

The meeting was called to order at 2:00 p.m. The following subcommittee permanent members were present: Rawn and Holt.

**2. Discussion RE: Review and Rank New Sidewalk Requests**

Painter distributed a copy of the criteria and ranking forms for two new requests:

- North Eagleville Road (between Northwood Road and Southwood Road)
- North Eagleville Road (between Northwood Road and Bone Mill Road)

After discussion, members thought that the extension of the existing sidewalk to the trail on UConn property in the area across from Southwood Road would make sense, but were unable to identify specific scores for the pedestrian/bicycle use criterion or the constructability and cost criterion without additional information. Full points were awarded for the land use/zoning designation, connectivity, community facilities, and transit criteria based on the future land use designation of the UConn property, connecting the walkway to a trail that leads to Shelter Falls Park, and accessibility to UConn shuttle service.

With regard to the further extension to Bone Mill Road, members identified the need for a site visit prior to further discussion.

**3. Adjournment**

The meeting was adjourned at 2:32 p.m.
