

“à la carte”

FACTS FIRST!

1. What is “a la carte”?
 - “A la carte” sales are when any one purchases an item that is NOT part of a complete meal (a complete meal refers to those purchased at the regular menu meal price).

2. Can anyone make an “a la carte” purchase?
 - Students must return a slip (obtained from a cashier) signed by a parent or guardian allowing “a la carte” purchases. A note is then entered on the student’s PowerSchool account that items can be purchased. **Only two items per snack type can be purchased at once.**

3. Can students charge “a la carte” purchases on their account?
 - Only if we receive a signed slip saying so. Some parents limit “a la carte” to cash only. Special requests, limitations, and other arrangements can be considered by contacting the food service director at foodserve@masfieldct.org.
