

ADDENDUM #2 TO RFP

To: Prospective Bidders
From: Linda Painter, AICP, Director
Date: November 30, 2020
Subject: Extension of Submission Deadline to December 3, 2020 at 12:00 noon

We discovered this morning that while the first addendum with questions and answers was posted to the Town's website last week, it was not visible on the bid page as had been advertised in the RFP. Accordingly, we are extending the deadline for submitting a response to the RFP to **12 noon on Thursday, December 3, 2020**.

Additionally, we have posted a Certification of Non-Collusion Form for use in preparing your submission.
