

Study Island for Homework Assignments

*** Keep this paper for help at home. ***

This school year we will be using a school-purchased service for some of our homework assignments. *Study Island* is a web service that provides students with practice in core content and skills. *Study Island* is used during the school day, after-school clubs, and homework time. This handout will provide you with some of the questions that you might have about accessing the *Study Island* web site. If you have questions about *Study Island*, please contact your child's teacher. A directory is available on our school web site at <http://www.mansfieldct.gov/southeast>.
