

**Southeast Schoolwide Enrichment Team  
Schedule of Meetings  
2013-2014**

Members of the Schoolwide Enrichment Team meet to discuss ways to bring enrichment activities, such as the Science Fair, Math Night, assemblies, residencies, guest speakers and enrichment clusters to all Southeast students. Anyone from the Southeast School community is welcome to join the Enrichment Team. Our current team includes a few parents, several teachers and an administrator.

The following dates have been scheduled for Schoolwide Enrichment Team Meetings. I hope these days and times are convenient. We will have meetings in the morning of the third\* Tuesday of the month in the enrichment room (Room 22) from 8:15-8:40. Your children can come to school with you and read or do other quiet activities until buses arrive. If you are interested in participating in these meetings please let me know or just come to our next meeting. Thank you.
