

Join us for Enrichment Clusters!

October 26th, November 2nd, 9th, 16th, 30th
From 1:15-2:30 p.m.

The Enrichment Team is organizing a series of enrichment clusters that will meet for five Wednesday sessions this fall, and we need YOUR help!

Enrichment Clusters are workshops held during the school day for multi-aged groups of students who share a common interest. Students will remain in the same cluster each week and participate in hands-on, interactive activities.

Presenters will:

- Choose an interesting topic—no need to be an expert, you can learn more about your topic along with the students
- Brainstorm fun & interactive activities while staying open to student input
- Be paired with a staff member to assist in planning, behavior management, and materials
- HAVE FUN!

For ideas, consider this list brainstormed by students at Southeast:

- science & nature
- karate
- art of all kinds
- cooking
- dance
- computers/technology
- writing
- origami

If you are interested, please complete the attached form and return it as soon as possible but no later than Friday, October 14th.

If you have any questions, please contact Sue Irvine at Southeast.
sue.irvine@mansfieldct.org or 423-1611 ext. 122. We hope you'll take this exciting opportunity to share your time exploring with students at Southeast School.
