

The Eight Components of College and Career Readiness Counseling

Our Comprehensive School Counseling Program addresses these 8 components through school-wide and evening programming, scheduling, academic interventions, classroom instruction, small groups and individual counseling.

- 1. College Aspirations**
- 2. Academic Planning for College and Career Readiness**
- 3. Enrichment and Extracurricular Engagement**
- 4. College and Career Exploration and Selection Processes**
- 5. College and Career Assessments**
- 6. College Affordability Planning**
- 7. College and Career Admission Processes**
- 8. Transition from High School Graduation to College Enrollment**
