

## **"SPREADING RAYS of WARMTH"**

THE SUNSHINE CLUB focuses on welcoming new students to MMS. Mrs. Hamlin, Mrs. Lee and Mrs. Melody are the moderators of the club. They will lead the members of the club in activities which train MMS students to be knowledgeable and friendly and PROUD hosts and tour guides.

The SUNSHINE CLUB activities will be interesting, varied and fun, and will emphasize developing the personal skills that MMS students need to welcome others to our WONDERFUL SCHOOL!

We hope to SPREAD RAYS of WARMTH!

## *The Sunshine Club Mission and Philosophy*

*Being a MMS tour guide/host is a rewarding job with an important responsibility. Student Guides/Hosts have the responsibility of making sure our new students are feeling welcomed here at MMS.*

*Sunshine Club members will host some of our important events throughout the year such as touring 4<sup>th</sup> graders when they visit from*

*the elementary schools, being welcoming at Fall Parent Conference Afternoons and Open House Evening and assisting with transfer students throughout the school year.*

*Most importantly, Sunshine Club members are role models and friendly faces to our new students and guests. Mrs. Lee, Mrs. Hamlin and Mrs. Melody are trained in working with students to help them achieve their personal potential. Club activities are designed to challenge students to be sensitive, confident and empathetic.*
