

THE MMS UNITY CLUB

WHAT IS IT?

Unity Club is an organization created to support all students. It is a safe and welcoming environment for students to learn more about diversity and culture. The Unity Club helps our school and community learn and celebrate our differences. It creates awareness about prejudice and discrimination and works towards eliminating these barriers by promoting respect.

OUR MISSION

We believe that it doesn't matter who you are or what you believe in, you are still entitled to be welcomed in the MMS community without being judged, discriminated against, or stereotyped. The goal of this club is to move students to understand and accept everyone for who they are. This club is dedicated to universal respect including, but not limited to, minorities such as those of race, religion, mental or physical handicap, nationality, sexual orientation, appearance, and financial status. We welcome all who are willing to make a statement for what they believe.

CLUB NORMS

Respect yourself, each other, and your environment- When you respect who and what you're surrounded by, you will get the same respect back.

One voice, one mic- During discussions, it's one person at a time. If you want your voice to be heard and listened to, then others deserve to have their voices heard and listened to as well.

No sidebars- If somebody is talking (whether it is a peer, a teacher, or a guest speaker), your voice is off. This means no side conversations or texting.

No judgments or gossip- If we want judgments and gossip to stop happening at MMS, it needs to start with Unity Club.

Confidentiality- What we discuss in Unity Club, stays in Unity Club.
