www.harlemwizards.com Buy tickets now! Wizard games sell out all over the country!

New!
PTO-sponsored After-School Program:
Play-well TEKnologies Engineering
FUNdamentals using Lego

Does your child love Lego, building, or engineering? Are you looking for a fun after-school program for your **2nd through 4th grader** for next year? If so, please consider the PTO Goodwin Elementary After-School Lego Classes run by Play-well TEKnologies staff.

Two **8-week sessions on Engineering FUNdamentals using Lego** will be run in the spring semester. Each session will be taught by a Play-well TEKnologies staff member and will cost \$136 for each 8-week program (this is the basic fee charged by Play-well):

Session 1: 3:45–5:15, Fridays, 1/29/2016–3/18/2016

Session 2: 3:45–5:15, Wednesdays, 4/6/2016–6/1/2016 (no class on 4/20/2016)

Engineering FUNdamentals workshop description: Power up your engineering skills with Play-Well TEKnologies and tens of thousands of LEGO®! Apply real-world concepts in physics, engineering, and architecture through engineer-designed projects such as arch bridges, skyscrapers, motorized cars, and the Battletrack! Design and build as never before, and explore your craziest ideas in a supportive environment. An experienced instructor will challenge new and returning students to engineer at the next level. All materials will be supplied (and must be returned at the end of each class).

Owing to the nature of the lessons, the classes are currently restricted to 2nd through 4th grades, but please let us know if you would like similar sessions to be run for younger children. If there is enough interest, we can try to arrange additional sessions.

More information about the Play-well TEKnologies programs can be found at:

<http://www.play-well.org/>

Classes will run from **3:45 to 5:15 at Goodwin**. Children will be able to walk straight to the program at the end of the school day. Since this is a PTO event, we cannot arrange transport home. **Students will need to be picked up by assigned parents or guardians promptly at 5:15.**

Each session is limited to 16 students (on a first come, first served basis). If you are interested in enrolling your child, please contact Alexia Smith at gwwhaletales@gmail.com

We will then send you information on registering and paying for the session.

No School, No Problem! Join Us For

Recreation Rescue

CT Science Center

Tuesday, January 19, 2016

Mansfield Middle School Gym, 7:30 a.m. – 5:30 p.m.
