RECESS FOR STUDENTS

Students Need Outdoor Attire.

It is very important that your child brings a **coat, hat** and **gloves/mittens** from home to wear outside for recess. **Please check that your child has these items daily.**

Students need snow pants and boots to be able to sled or play in the snow. Otherwise they need to stay on the blacktop.

Please remember that all students will be going outside for a 30 minute recess every day. Outdoor recess will be held with temperatures at 15 degrees or above with wind chill.

*Students may keep extra items – change of socks, pants etc. in their locker and may leave their snow pants at school for the week.

*please write your child's name on the clothing tags so they do not get misplaced

Come Trestle Tree With Mr. Dean!!!

January 26th- 27th

A physical education program unique to Mansfield Public Schools, the Trestle Tree satisfies the differentiated needs of all children. Beginning with low heights and simple activities in Preschool and Kindergarten, the Trestle Tree progressively gets higher and more challenging as children get older and more skilled. Activities on the Trestle Tree include creative movement, problem solving initiatives, movement exploration games, gymnastic skills, strength building, climbing and landing techniques, and cooperation. The Trestle Tree, which consists of many components, is creatively assembled in various forms resembling a cross between gymnastic apparatus and an indoor playscape. The components of the Trestle Tree include trestles, balance beams, bridges, ladders, bars, nets, slides, mats, and ropes.

The Goodwin PTO invites all parents to either come to observe or participate with your children the evenings of January 26th (grade preK-2) and January 27th (3-4).
