teacher and role model. Here are some things that you can continue to do to assist your child with getting the best out of each school day.

- ☆ **It is important to read to and with your child.** Just ten or fifteen minutes each day is fine. Let reading become a regular part of your day.
- ☆ **Help your child develop language skills.** A child who can express their ideas is well on the road to success in school. Try to spend at least 30 minutes a day talking and listening to your child. Limit your child's TV viewing and when possible, watch TV with your child. Talk about what you've just seen.
- ☆ **Boost you child's self-esteem and independence.** Expect your child to succeed in school. Give your child challenges they can master. Hug your child and tell them you love them.
- ☆ **Protect your child's health.** Good health is essential to school success. And good nutrition is also important. Children need to eat a variety of foods each day. Try to help your child choose healthy snacks -fruit, yogurt, plain popcorn and vegetable sticks are all good choices.
- ☆ **Don't send a sick child to school.**

OFF TO A GOOD START EVERY DAY

You have been your child's most important teacher since the day he/she was born. And you will always be an important

☆ **Let's stay in touch.** If you have questions, comments, or concerns about how your child is doing, please let us know right away.

By working together, we'll be sure your child has a successful school experience every year!

VOLUNTEERS NEEDED

Hannah Song, our Enrichment Intern, is looking for adult volunteers to speak to students in the Holidays Around the World Club. If you would like to share your holiday on April 5, 12, or 26th after school for about 15 minutes, please contact Hannah at the school, 423-1611.
