# Summer Camp Scholarships

Mansfield Youth Services is able to offer scholarship funds to residents in need of financial assistance to make attending camp more affordable. If you are interested in receiving assistance, please fill out the attached application and return it to your school nurse or the Youth Services office located in the Town Hall.

Youth Services staff will review applications in the order that they are received and distribute scholarship funds to eligible families on a rolling basis. Assistance for Mansfield Park and Recreation camps is provided through the town Fee Waiver program. The Fee Waiver ordinance provides for a reduction in the fee(s) paid for designated Town services for residents who meet specific income guidelines. If you think your family may be eligible or would like more information about the Fee Waiver program please contact the Mansfield Community Center at (860) 429-3015.

This opportunity is made possible through donations by community members and scholarships will be awarded until the funds are exhausted.

Once your application is reviewed you will be contacted by Youth Services staff.

If you have questions or would like more information please contact Youth Services.
