Southeast Elementary School Silent Auction 2016

The Southeast PTO will be holding a **Silent Auction on Saturday, September 24 at the SE School Fall Carnival.**

This is a **major fundraiser** for our school and we hope to raise over \$4,500! ***Preferred DEADLINE FOR DONATIONS IS FRIDAY , SEP. 16!!***

We are sorry this does not give people much time. We do not have much turn-around time this year because of the calendar.

We need your help by donating supplies to your classroom basket (see details on back), offering something individually, or both. All of the money raised goes directly to our school's programs-including science presenters and classroom activities, healthy snack month, field trip scholarships, ceremonies and more.

Typical Auction items that families donate include:

- **Baking bread or muffins, servicing someone's lawn or driveway 2-3 times, offering a fly fishing excursion, making jewelry, teaching music lessons-Whatever you might dream of! This is a great way to share your skills and interests with our Southeast Community while also raising money for our kids' school. **Donations of large baskets to the PTO are also very appreciated!**

THANK YOU!

All items and contribution forms are due to school by **Friday 9/16** if possible! If you have any questions, please e-mail, text or call Erin Clark or Jennifer Mott at southeastschool.pto@gmail.com or (860)428-0214.

Dear First and Second Grade Students and Families,

My name is Miss Smallidge and I am the new general/vocal music teacher at Southeast Elementary School. I am thrilled to be working with the students, staff, and families of this wonderful school!

This year I am starting a singing group specifically for First and Second Grade students called The Southeast Songbirds. **This singing group will meet every week on Fridays during recess from 12:15 - 12:45.**

We will learn to sing in unison and two-parts with professional posture, healthy children's vocal tone, clear diction, adequate breath support, rounded vowels, and great joy. This is an opportunity for your child to experience singing choral repertoire with peers, a conductor, and piano accompanist.

The Southeast Songbirds will perform in the Spring Concert for all First and Second Graders in early May.

It is my hope that the members of The Southeast Songbirds will continue on to sing with The Southeast Singers as Third and Fourth graders.

I am looking forward to starting this choral program at Southeast Elementary School so our children are prepared and excited to sing at Mansfield Middle School and E.O. Smith High School.

Please have your child sign up for The Southeast Songbirds during his or her general music class. We will begin rehearsals on Friday, September 16th. Students are welcome to try the choir experience and then decide if they want to make the commitment to the ensemble.

I look forward to a great school year in music!

Musically,

Kate Smallidge

COPE

A Mansfield Youth Services Program 2016-2017

Dear Southeast Parents and Guardians:

Is your child experiencing stress or changes at home or in school? Could he or she benefit from a positive experience at-school with other children who may have similar experiences? If so, COPE may be able to help!

COPE is an in-school, skill-building program run by Mansfield Youth Services that has successfully supported students in our community for over 20 years! COPE utilizes UConn student mentors to provide one-on-one support to their paired COPE participant.

The objectives of the COPE Program are to:

- **Foster** a supportive environment where your child will enjoy engaging with other students by participating in planned, creative, and fun activities!
- **Provide** your child an opportunity to meet other Southeast students and build new friendships.
- **Help** your child normalize their feelings and experiences by developing a trusting and safe relationship with their mentor.
- **Promote** your child's self-esteem through positive peer interactions and social-emotional skill building activities.

COPE meets once a week during the regularly scheduled lunch times throughout the school year. Students will not miss any academic or recess time as a result of their involvement.

If you're interested in having your child participate in **COPE**, please complete the reverse side of this sheet and the attached, "What I Want My Mentor To Know About Me..." form. All completed enrollment forms can be submitted to **Alissa Mahoney, School Psychologist**.

Please Note: Space is limited and participation is based on the child's appropriateness for the program.

If you would like more information please contact Mansfield Youth Services' Social Worker:
Danielle Annibalini, MSW at (860) 429-3318 or AnnibaliniDN@mansfieldct.org
