

Join Vinton School's E-Mail & Text Message Lists!

Vinton School uses the QNotify (eAlert) Messaging Service to enhance communication with families via **e-mail** and cell phone or pager **text messaging**. You can sign-up to receive free notices from Vinton School informing you of announcements about school events and groups.

This service is free of charge and signing up is fast and easy. You can enter e-mail addresses and/or cellular devices. You choose which addresses receive only emergency or priority notifications and which addresses receive all notifications. There is no cost to sign-up for this service (your phone provider's normal text messaging charges will apply if you sign-up your cellular device). Your contact information will never be sold or distributed, and there is no advertising attached to this service.

We encourage you to sign up for this service. We think that it will help us to communicate with you more effectively. Thank you for your participation!
