

# Welcome

The Community Center recently celebrated its 14th anniversary on November 1, 2017 and in commemoration of the anniversary, a number of events and member give-a-ways were held so that we could show our appreciation to our membership. The high level of usage continues to reflect how important the Center is to the quality of life in our region.

Now is a great time to become a member of the Community Center. Get a head start on your New Year's resolution by starting an exercise routine today. A personal training session will get you on the right track for a healthier lifestyle. Inquire about personal training options and take advantage of our state-of-the-art Fitness Center.

Consider a Mansfield Community Center membership gift certificate for your family and friends this holiday season. This is a great way to show those close to you how much you care about their health and wellbeing.

Our staff has worked very hard to make sure each visit to the Community Center is a positive experience. Remember, even though it says Mansfield on the building, non-residents are always welcome. Stop in today and our staff will be happy to provide you with a facility tour or check out the facility and program offerings on our website at [www.mansfieldcc.com](http://www.mansfieldcc.com).

Please take a close look at all the healthy, interesting, and educational programs in this brochure. Since the most popular programs fill up very fast, I would encourage you to make your selection and register as soon as possible according to the dates on our registration page.

The entire Parks and Recreation Department staff wishes you a happy and healthy winter.

Sincerely,

*Curt A. Vincente*
