

# Directors message

## From the Director:

Spring is a fun time for our staff at the Parks and Recreation Department. At the time this message was written, despite the snow covering the ball fields, we are looking forward to getting the parks ready for outdoor play. This Spring brochure is filled with fun, educational and healthy activities for you to choose from.

The benefits of a Mansfield Community Center membership are unmatched in the area. Family, Fitness and Fun are the focus and no other facility has the complete package for all your fitness and recreational needs, including a family atmosphere, pools, full-sized gymnasium, indoor walking/jogging track, and a complete fitness center. Party rental options are also available. Our staff has worked very hard to make sure each visit to Community Center is a positive experience. Remember, even though it says Mansfield on the building, non-residents are very welcome. Stop in today and our staff will be happy to provide you with a facility tour or check out the facility and program offerings on our website at [www.mansfieldcc.com](http://www.mansfieldcc.com).

Please join us for the dedication ceremony of the new accessible trail around Bicentennial Pond on Saturday, April 21 (rain date April 28). See details in the Parks & Preserves section of this brochure.

Our expanded summer camp section will help you get a head start on planning summer activities for the kids. This brochure is filled with something for everyone. We encourage you to stay active, participate in healthy programs and continue with your post winter exercise routines.

Please take a close look at all the healthy, interesting, and educational programs in this brochure. Since the most popular programs fill up very fast, I encourage you to make your selection and register as soon as possible according to the dates on our registration page.

The entire Parks and Recreation Department staff wishes you a happy, healthy, and safe spring season.

Sincerely,

*Curt A. Vincente*

Curt A. Vincente, CPRP  
Director of Parks & Recreation
