## BUDGET TIME: HERE'S WHAT YOU NEED TO KNOW TO STAY INFORMED.

Each year the town prepares an operating budget and capital improvement program. As we operate on a July 1—June 30 fiscal year, most of the key dates in the budget process occur in late winter and early spring.

In **February**, the Town Manager reviews budget requests, establishes priorities, and recommends budget allocations.

In **March**, the Town Manager presents a proposed budget to the Town Council.

In **April**, Town Council budget workshops, public information sessions, and public hearings are held. The Town Council adopts a budget.

In **May**, the budget is presented at the Annual Town Meeting, to be adopted by electors.

You have many opportunities to actively participate in the budget process by attending budget workshops, public information sessions and hearings, and voting at the annual town meeting. The **Citizen's Budget Guide** will be mailed to you by the beginning of April.

*Mark your calendar with this list of upcoming meetings:*

**April 1:** Council Budget Workshop

**April 4:** Public Information Session on Budget

**April 8, 10, 15, 18:** Council Budget Workshops

**May 2:** Public Information Session on Budget

**May 14:** Annual Town Meeting— where the proposed budget will be presented and voted upon.

Dates & times are subject to revision. Check [www.mansfieldct.gov](http://www.mansfieldct.gov) for updates & other meeting information.

## STAY WARM, SAVE CASH

Why waste money and fuel when trying to stay warm this winter?

Mansfield has teamed up with the Neighbor to Neighbor Energy Challenge to make an energy assessment and upgrades like insulation easy and effective. For a \$100 co-pay you will get an energy assessment & in-home improvements.

Sign up at [ctenergychallenge.com/hes](http://ctenergychallenge.com/hes).

## SOLAR ENERGY GRANT

The town has been awarded a solar grant from the Clean Energy Finance and Investment Authority (CEFIA). Mansfield residents will be able to purchase or lease a photovoltaic system for a significant discount. If you have been interested in solar energy, but haven't had the money to fund an installation, this is your opportunity!

Visit [www.solarizect.com](http://www.solarizect.com) to sign up to receive more information as it becomes available.
