

## **LEGAL NOTICE**

Mansfield Planning and Zoning Commission

The Mansfield PZC will hold a Public Hearing on Monday, May 3, 2010 at 7:30 p.m. in the Council Chambers, A.P. Beck Bldg., 4 S. Eagleville Rd, to hear comments on PZC-proposed revisions to the Mansfield Zoning Regulations: definition of family and boarding house and political signs.

The proposed 4-8-10 draft revisions to Mansfield's definition of family update and refine existing provisions, particularly with respect to blood relations; incorporate new provisions that authorize "functional families"; incorporate new provisions that authorize legally recognized living arrangements that qualify as "reasonable accommodation"; and reduce the number of unrelated individuals who automatically qualify as a family from four (4) to three (3). All existing single family uses that comply with the existing definition of family, but would not comply with the proposed definition of family, would become non-conforming uses if the new definition is adopted. The proposed revisions to Mansfield's definition of Board House are necessary to be consistent with the proposed definition of family. The proposed 3-10-10 draft revisions to the political sign regulations would eliminate current standards for political signs on private property which include restrictions on the number, size and period of time for display and limit the nature of a political sign. The proposed amendment retains an existing provision that prohibits political signs on public property but does authorize political signs along street rights-of-way provided abutting private property owners have granted permission.

At this Hearing, interested persons may be heard and written communications received. No information from the public shall be received after the close of the Public Hearing. Additional information is available in the Mansfield Planning and Town Clerks Offices and at [www.mansfieldct.org](http://www.mansfieldct.org).

**April 8, 2010 DRAFT**  
**Proposed Revision to the Zoning Regulations:**  
**Definitions of Family and Boarding House**

(New provisions are underlined or otherwise indicated)

(Deletions are bracketed or otherwise indicated)

(Explanatory Notes are provided to assist with an understanding of the proposed revisions. These notes are not part of the proposed zoning revision)

1. Delete in its entirety existing Article IV, Section B.25 Definition of Family.

25. [Family. One or more persons who live together and maintain a common household, related by blood, marriage, or adoption. A family may also include domestic help and gratuitous guests. In addition, a family may include not more than three persons who are not related by blood, marriage or adoption.]

2. Add a new Article IV, Section B.25 Definition of Family to read as follows:

25. Family: A person living alone, or any of the following groups living together as a single non-profit housekeeping unit and sharing common living, sleeping, cooking and eating facilities:

1. Any number of people related by blood, marriage, civil union, adoption, foster care, guardianship or other duly authorized custodial relationship, gratuitous guests, domestic help and not more than one (1) additional unrelated person. (Related by blood shall include only persons having one of the following relationships with another individual(s) residing within the same dwelling unit: parents, grandparents, children, sisters, brothers, grandchildren, stepchildren, first cousins, aunts, uncles, nieces and nephews);
2. Two (2) unrelated persons and any children related to either of them;
3. A cumulative total of up to three (3) adult persons. More than three (3) adult persons may qualify as a family pursuant to other categories of this definition;
4. Persons living together as a functional family as determined by the criteria listed below. For the purpose of enforcing these regulations, it shall be assumed (presumptive evidence) that more than three (3) persons living together, who do not qualify as a family based on categories one or two of this definition, do not constitute a functional family. To qualify as a functional family, the following criteria shall be met:
  - A. The occupants must share the entire dwelling unit and live and cook together as a single housekeeping unit. A unit in which the various occupants act as separate roomers may not be deemed to be occupied by a functional family;
  - B. The group shares expenses for food, rent or ownership costs, utilities and other household expenses;
  - C. The group is permanent and stable. Evidence of such permanency and stability may include:
    1. The presence of minor dependent children regularly residing in the household who are enrolled in local schools;

**Proposed Revision to the Zoning Regulations:**  
**Definitions of Family and Boarding House**

Explanatory Note: The proposed revisions to Mansfield's definition of family update and refine existing provisions, particularly with respect to blood relations; incorporate new provisions that authorize "functional families"; incorporate new provisions that authorize legally recognized living arrangements that qualify as "reasonable accommodation"; and reduce the number of unrelated individuals who automatically qualify as a family from four (4) to three (3). The proposed revisions, which recognize and provide for significant changes that have occurred over the past fifty years in family composition, are designed to preserve the character of Mansfield's single family residential neighborhoods, protect property values, reduce the increasing number of single family homes that are purchased for the primary purpose of renting to transient persons (primarily college students), enhancing housing opportunities for families meeting the new definition and in general to promote the public health, welfare and safety. All existing single family uses that comply with the existing definition of family, but would not comply with the proposed definition of family, would become non-conforming uses if the new definition is adopted. Legally established non-conforming uses can be continued, regardless of ownership changes, unless there has been a voluntary change in use or a clear intent to abandon rights to the pre-existing non-conforming use. The proposed revisions to Mansfield's definition of Board House are necessary to be consistent with the proposed definition of family.

### **Proposed Revisions to Article X, Section C.h.4 of Mansfield's Zoning Regulations Regarding Political Signs**

#### **Proposed Zoning Regulation Revisions**

##### **Revise Article X, Section C.h.4 as follows:**

1. Delete existing provisions.
2. Add the following new provisions:

- 4. Political Signs**

Subject to obtaining property owner approval, political signs on private property are authorized. Political signs also are authorized along street rights-of-way abutting private property subject to obtaining the abutting property owners approval. All political signs must be in compliance with the traffic safety criteria of Section C.7. of this Article.

Political signs shall not be located on public property or street rights-of-way abutting public property. To help reduce neighborhood impact and to help preserve Mansfield's scenic character, it is recommended that political signs be limited in size and number, be non-illuminated and be displayed for a limited period of time.

##### **Explanatory Note:**

The proposed Zoning Regulation amendment would eliminate current standards for political signs on private property which include restrictions on the number, size and period of time for display and limit the nature of a political sign. The proposed amendment retains an existing provision that prohibits political signs on public property but does authorize political signs along street rights-of-way provided abutting private property owners have granted permission. The proposed provision includes generic recommendations for political signs which are advisory and not mandatory. These recommendations are included to help reduce neighborhood impact and potential litter problems and to help preserve Mansfield's scenic character.
