GENERAL CONDITIONS UNDER WHICH THIS PERMIT IS GRANTED

- 1 The permittee shall carefully and truly observe the ordinances, regulation and standard specifications adopted by the Town of Mansfield to govern the work covered by this permit. Failure may result in revocation of this permit and liability for the costs incurred by the Town in making necessary repairs.
- 2 Notice shall be given by the permittee to this Town 24 hours in advance of construction.
- 3 A copy of this permit shall be kept at the work site and shall be available to Town officials upon request.
- 4 No work shall result in the concentration and discharge of surface or subsurface water onto public or private property resulting in damage to that property.
- 5 This permit is null and void unless a valid "Call Before You Dig" number appears on the permit form.
- 6 It is the permittee's responsibility to provide Bond and Certification of Insurance, Town Indemnification, and Waiver of Claim as required prior to the issuance of a permit. Work resulting in violations of Town ordinances will be reconstructed to conformance with the costs billed to and payable by the permittee.

SPECIFIC CONDITIONS

- 1 No construction activity, unless approved by the Director of Public Works, shall begin before 7:00 am nor extend beyond one (1) hour after sundown, Monday through Saturday
- 2 No street shall be closed nor detour established without the prior approval of the Director of Public Works or his Agent.
- 3 No materials shall be stored in the area of street and sidewalk outside of working hours. Any materials or equipment stored within other areas of the Town rights-of-way shall be protected with lights and barricades.
- 4 When for reasons of safety it is necessary to take immediate corrective action, the contractor will be notified by telephone at the emergency number on this form. If the contractor cannot be contacted for fails to do the work, the Town will take corrective action and bill the contractor.
