Do you have a young child, three or four years old, who has not had a preschool learning experience and/or who is having social, learning or speech and language difficulties? If so, the services of **Mansfield's Early Childhood Assistance Program** are available to you and your child.

A screening will be offered to provide information and to address any concerns you may have regarding your child's development. The program also enrolls typical children as a way of providing integration opportunities for the children with special needs.

For more information call Mansfield Public Schools at (860)429-3353.
