### **Parking Enforcement on Storrs Road to Begin**

With the completion of the streetscape improvements for Storrs Road (Route 195) in Storrs Center, new parking options are available. On Storrs Road, there is now free on-street parking available; this parking is limited to two hours. The parking rules will be enforced through ticketing and towing.

On-street parking is also available in front of Nine Dog Lane. Parking in this area is free but limited to 30 minutes. The Dog Lane parking lot behind Nine Dog Lane is free and limited to two hours.

In the Storrs Center parking garage, the first two hours are free, and the rate is one dollar an hour with an eight-hour daily limit. Monthly parking passes are available for purchase through Central Parking ([www.centralparking.com](http://www.centralparking.com)). There are both daily and overnight passes available.

If you have any questions regarding parking in Storrs Center, please contact the Town of Mansfield at 860.429.3336 or email [StorrsCenterInfo@mansfieldct.org](mailto:StorrsCenterInfo@mansfieldct.org).
