Re: Next Generation CT Impact Study

Subject Matter/Background

The Econsult team presented the draft Next Generation CT Impact Study to the Town Council at its meeting on August 24, 2015. At that meeting, the Town Council decided to carry the item as old business to a future agenda in order to provide the Council with more time to review the report and to identify any questions or comments.

Lee Huang and Ethan Conner-Ross from Econsult will conference in to the Council's discussion of the impact study at the special meeting scheduled for 6:30 PM on September 28th.

The Council has already received copies of the impact study, which is located on the Town's website at http://www.mansfieldct.gov/filestorage/1904/1930/20150820_nextgenct_economic_impact_alalysis.pdf.
