A- Curt Vincente sent out a notice of the Town council meeting that will discuss The School of the Arts partnership at 7 pm Monday June 8th. He invited members of the arts committee to attend, if possible.

B- We were informed by the town Managers office, by Maria Capriola, that the town insurance (\$25,000 limit) does NOT include the art displayed at the community center. They recommended that the artists should supply their own insurance. The insurance ONLY covers the art that the town owns.

When our committee next meets in September, we can continue to discuss how we will communicate to future artists interested in showing their art at the MCC that they are responsible for their own insurance.

Old Business:

- Tom will ask Judy McChesnie if she would like to join our committee as we are still looking for new members.

New Business:

- Kim will call or email Karen Anger about removal of school art this week.

- Nancy Bunnell will collect her art from her current display and install a group show starting this Friday June 5th.

-Bloom and Cichowski art application review was approved for show. Martin Bloom for [Sept. 1](#) on the walls, and [Sept 21](#) after noon time in the cases for Emine's ceramics. Both artists will show [until Dec 1st](#). David will contact them.

-We are leaving room for the Mansfield Downtown Partnership to have their display advertising the Celebrate Mansfield Festival in the glass cases [SEPT 1st](#) thru the morning of the [SEPT. 21st](#). Kim will let Kathleen Patterson know this schedule for their display.

Meeting was adjourned [at 5:50 pm](#).
