

draft
Town of Mansfield—Traffic Authority
Minutes of the Meeting – March 27, 2012

Present: Hart, Hultgren, Cournoyer, Painter, Meitzler

The meeting was convened at 9:35 AM.

The minutes from the two previous meetings, 2/28/12 and 3/8/12 were reviewed and no corrections made.

Mansfield City Road traffic – Hultgren said that he talked to DOT Traffic and they said that they would not change the way the lights flash at the two Frontage Roads, but they might be able to run the regular signals 24-7. No final word on this as yet.

Ravine Road traffic – Still no response from DOT on the new wayfinding signs request for signs directing eastbound traffic on Route 44 up to Route 195 to UConn.

Walk Facing Traffic Sign request for South Eagleville Road – still waiting for DOT response.

Route 275 pedestrian/bicycle safety concerns – Hultgren was contacted by DOT as a result of the referral to them, but no response has been made as yet.

Route 89 at Mt. Hope bridge intersection project – Hultgren has yet to check with the DOT project manager for a status report.

Construction Traffic, Storrs Center – no outstanding concerns. Painter said that the list of STC requirements for the partial opening of the new buildings was available and needed to be complied with.

Tri-state Trek bike event (July 21-21) – approved with the usual caveats to coordinate with the Town's Resident State Trooper's Office and other emergency services.

Commercial Traffic on Bone Mill Road near Route 44 – this complaint was discussed and the following actions taken. It will be continued onto the April meeting agenda. 1. Additional traffic classifying for this section. 2. Peter Pan bus will be contacted regarding their use of this road. 3. UConn dining services will be contacted regarding Cisco's use of this road.

Weekend student activity – Hart and Cournoyer discussed plans for traffic and pedestrian safety for the coming weekend.

The meeting was adjourned at approximately 10:05 AM.

Respectfully submitted,

Lon Hultgren
Director of Public Works
