## Child ID and Fingerprinting

This FREE program, sponsored by New York Life Insurance Company, is to help keep our kids safe. Children are fingerprinted and photographed and ID cards are given to the parents. In case of emergency the parents have, in an easy to find kit, the child's photo, fingerprints, and other pertinent information needed by the police. All children must be accompanied by a parent or legal guardian for ID.

**Little Angels Bicycle Drive**  
Mansfield Parks & Recreation looks forward to assisting Mansfield and area residents in need of bicycles during its Little Angels Bicycle Drive at the Mansfield Community Center on April 10th. Donated bicycles are evaluated and repaired if necessary by Little Angels' staff. Bikes are distributed by the Little Angels Bicycle Program after the date of this event. Those in need of bikes should contact either Jay O'Keefe at (860) 429-3015 or Little Angels at (860) 429-4290 or freebi-
