Dear Friend,

September is National Senior Center Month, and we've been celebrating all month long at the Mansfield Senior Center with a number of creative, enriching and fun events!

This month, we're reaching out to you for your support. We're asking for monetary donations to our Program Fund, which will help us continue to grow despite the difficult budget climate in our State and Municipalities. One hundred percent of your contribution will go into our revolving Program account outside of the town budget, and will strictly be used for enhanced Senior Programming in Mansfield.

Dynamic classes, lifelong learning, special events, evening & weekend programming and health & wellness services are just a few examples of the programs we're excited about expanding. You may also choose to support our two upcoming new ventures – Maple Road Café or our Satellite Library – or to sponsor one of the community service Concerts our Chorus performs each year. If you'd like to specify supporting the Café, the Library or the Chorus, please indicate your preference on your check made payable to the Town of Mansfield.

We hope you're excited about what your Senior Center can offer you, and we thank you for your consideration. As always, if you have ideas, thoughts or suggestions, please don't hesitate to let us know!

With much appreciation,

Sarah Taylor  
Mansfield Senior Center Supervisor
