

BOARD GAME NIGHT!

A close-up photograph of a board game board. In the foreground, a blue peg stands on a square space. To its left, two white dice are visible. Below the peg, the word "START" is printed in bold, black letters, with four black arrows pointing towards it from the left. The board is made of light-colored wood or cardboard. The background is blurred, showing more of the board and some yellow and green elements.
