Membership Freeze

Our Membership Freeze option is a way to inactivate your annual membership for up to three months.

- A freeze is available for annual memberships only.
- You may freeze your membership a maximum of two times per year.
- Memberships that are paid in full – will be inactivated during the requested freeze period, and your membership expiration will be extended by the length of the freeze.
- Memberships that are paid by auto debit each month – billing will be frozen, the months added to your membership will have billing associated with them.
- This form must be submitted prior to the time during which you are requesting the freeze.
- There is no processing fee for a membership freeze.
