

THE CARDIOVASCULAR SYSTEM

We're going to "Pump you up"

CARDIOVASCULAR

- Cardio is from the Greek 'kardia' – heart
- Vascular is from the Latin 'vasculum' – little vessel.
- Also called the...

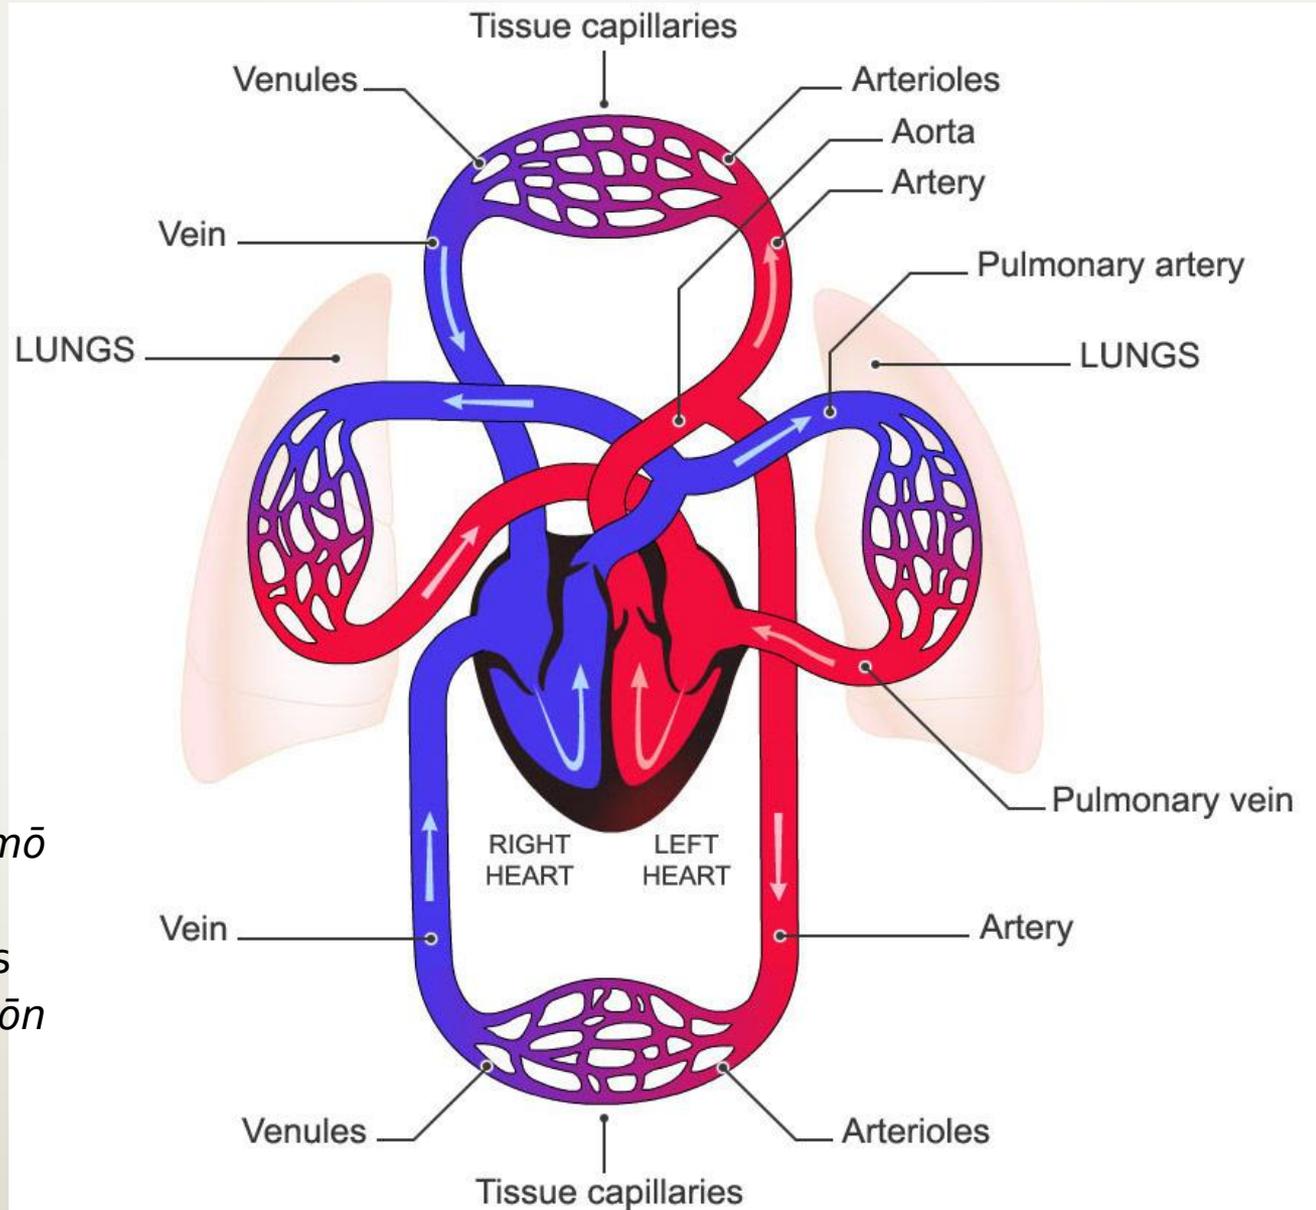

What are the THREE Main FUNCTIONS OF THE CardioVascular SYSTEM?

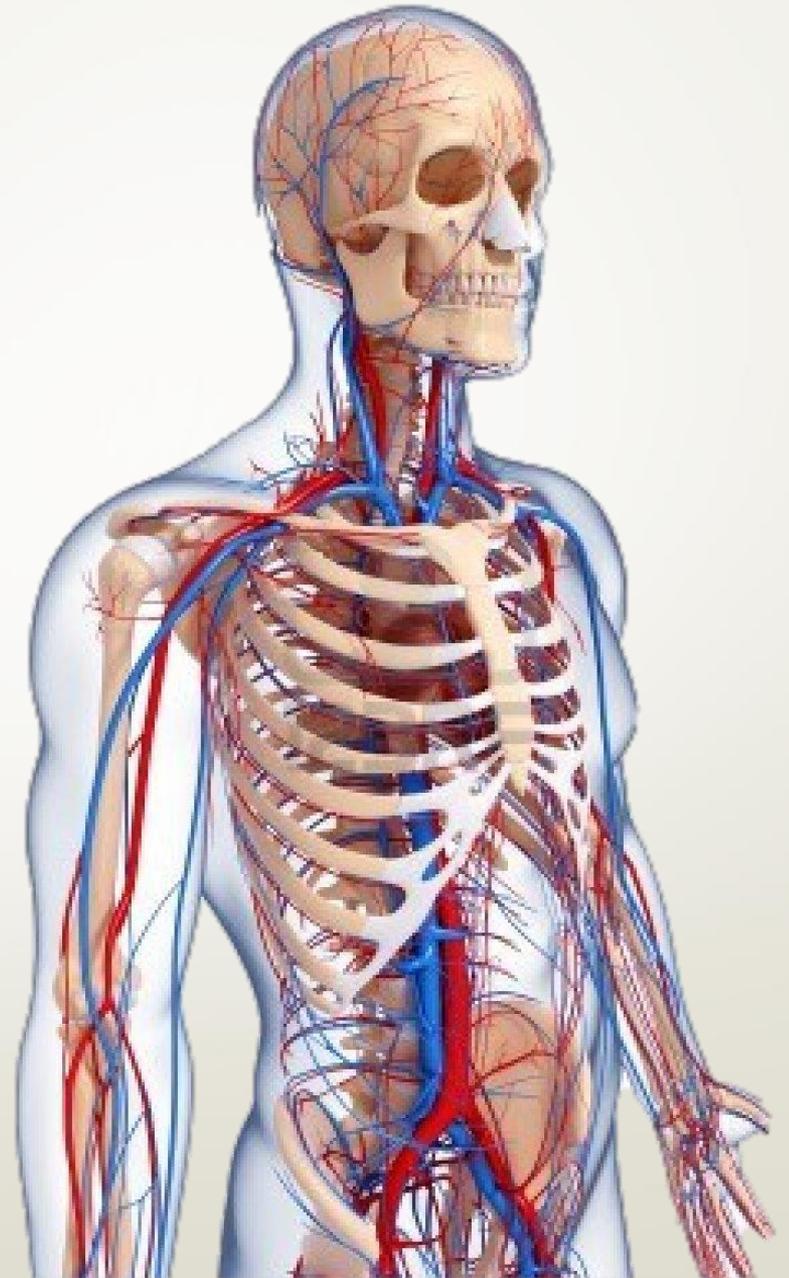

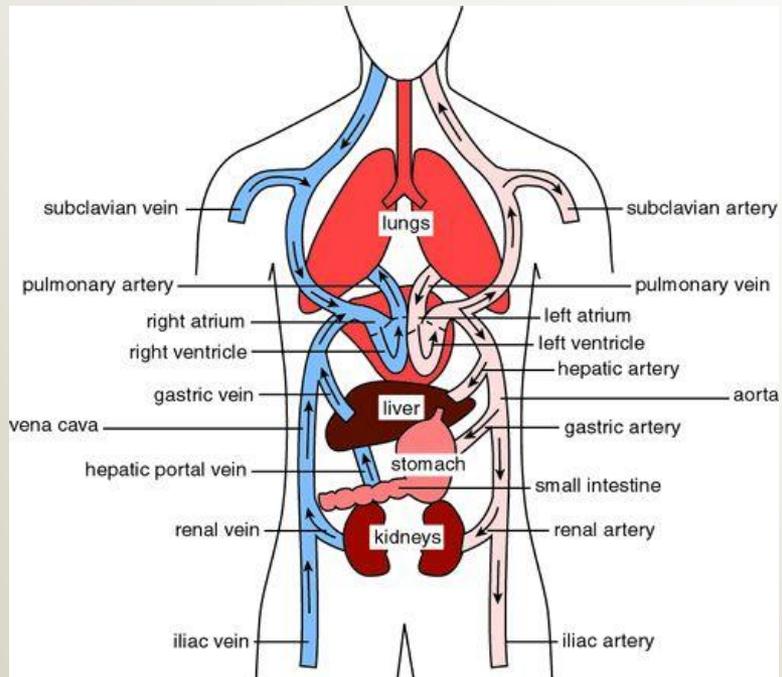

1.

2.

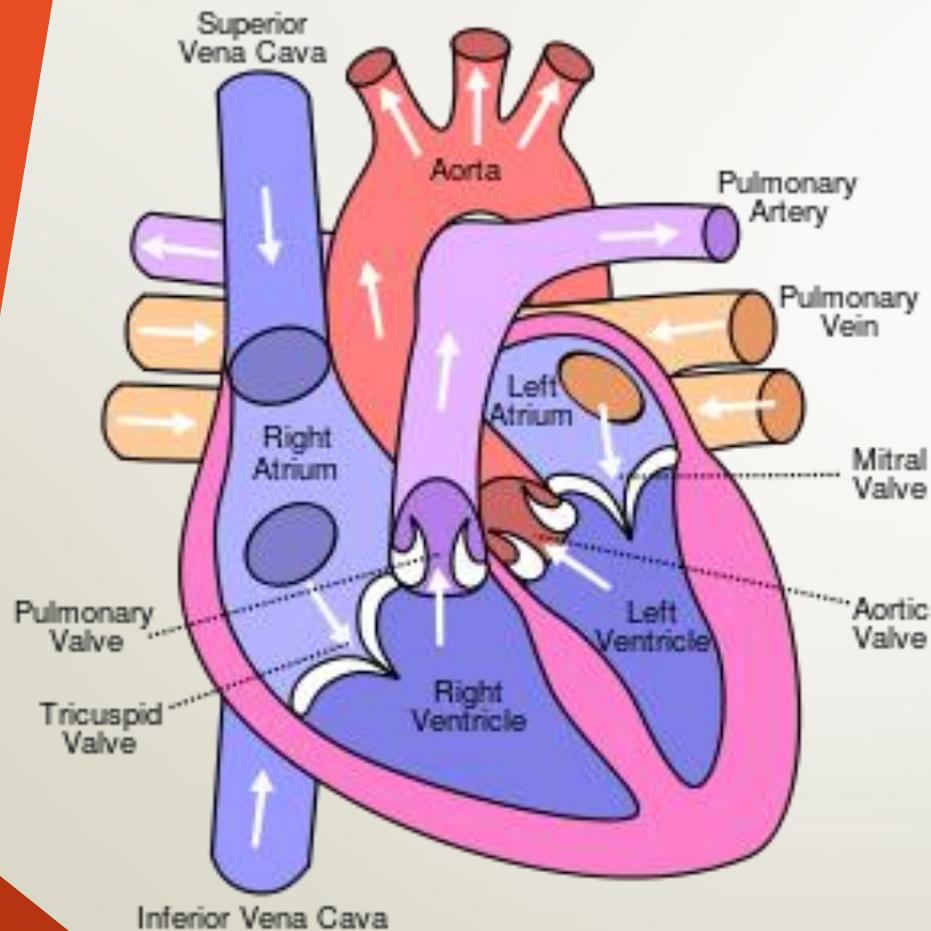

3.

Pulmonary is from Latin *pulmōnārius* - of the lungs, from *pulmō* lung; similar to Greek lung is *pleúmōn*, later *pneúmōn*

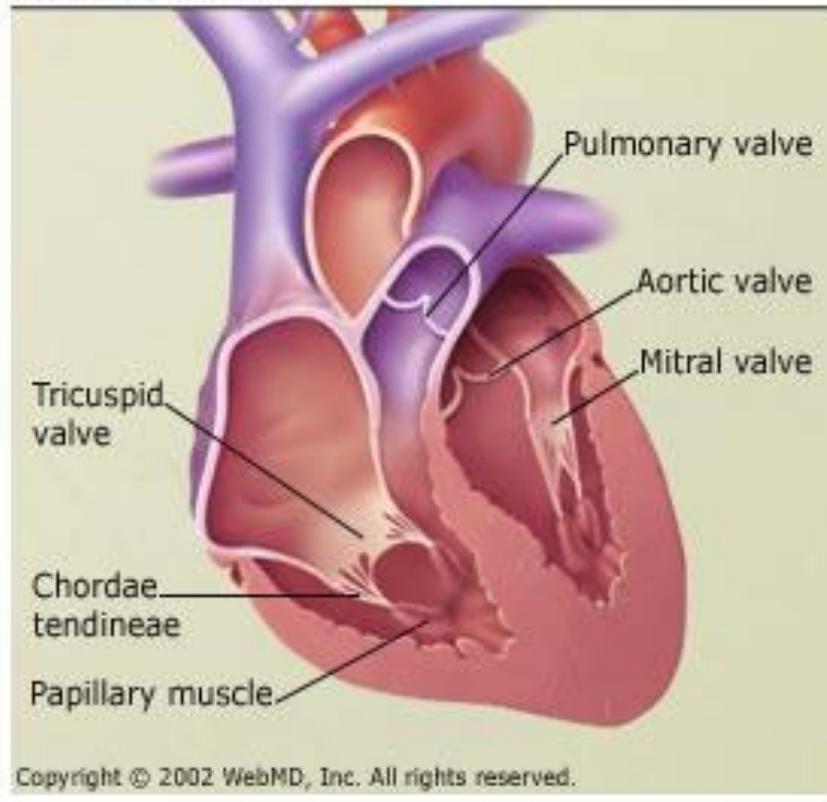

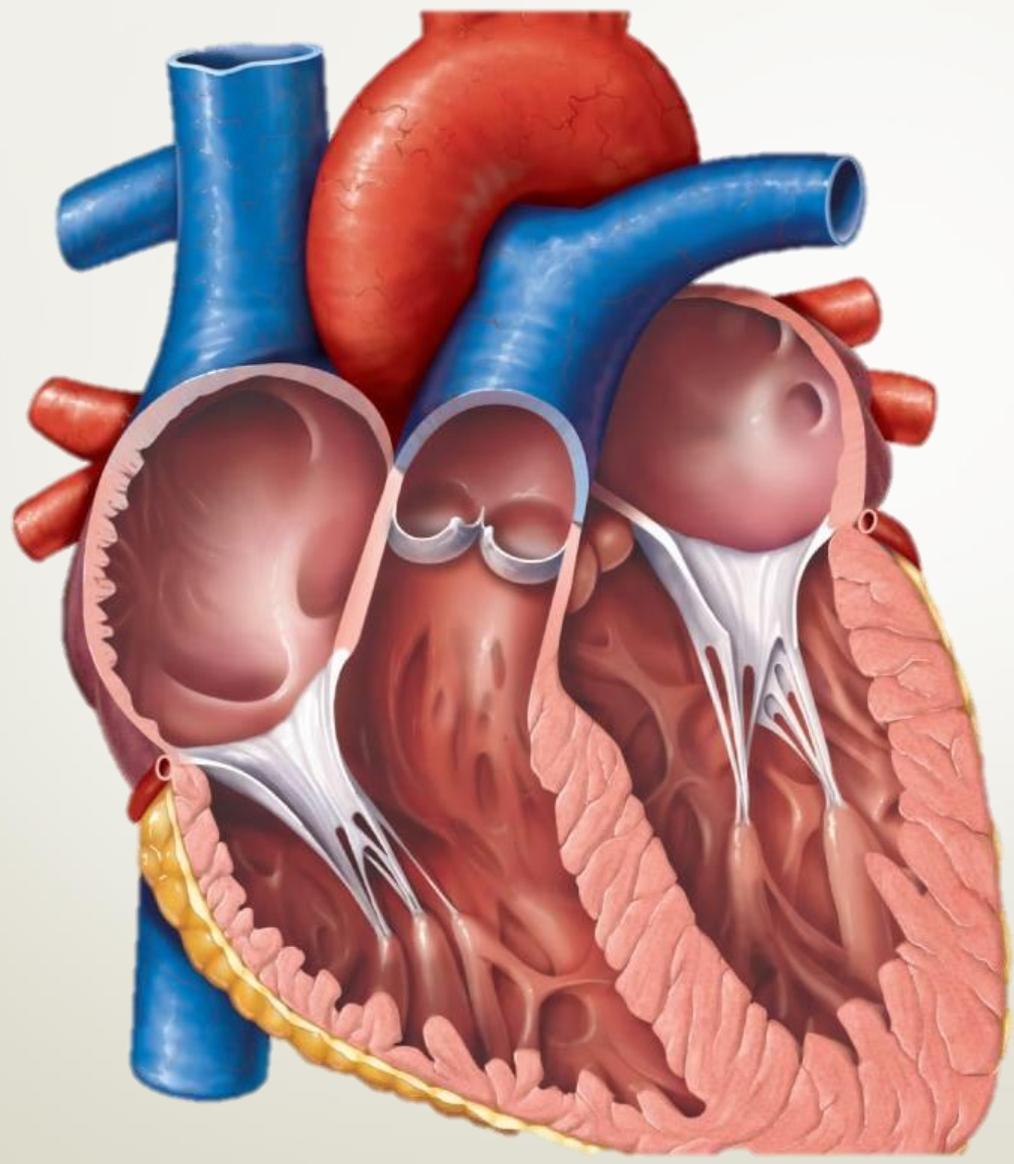

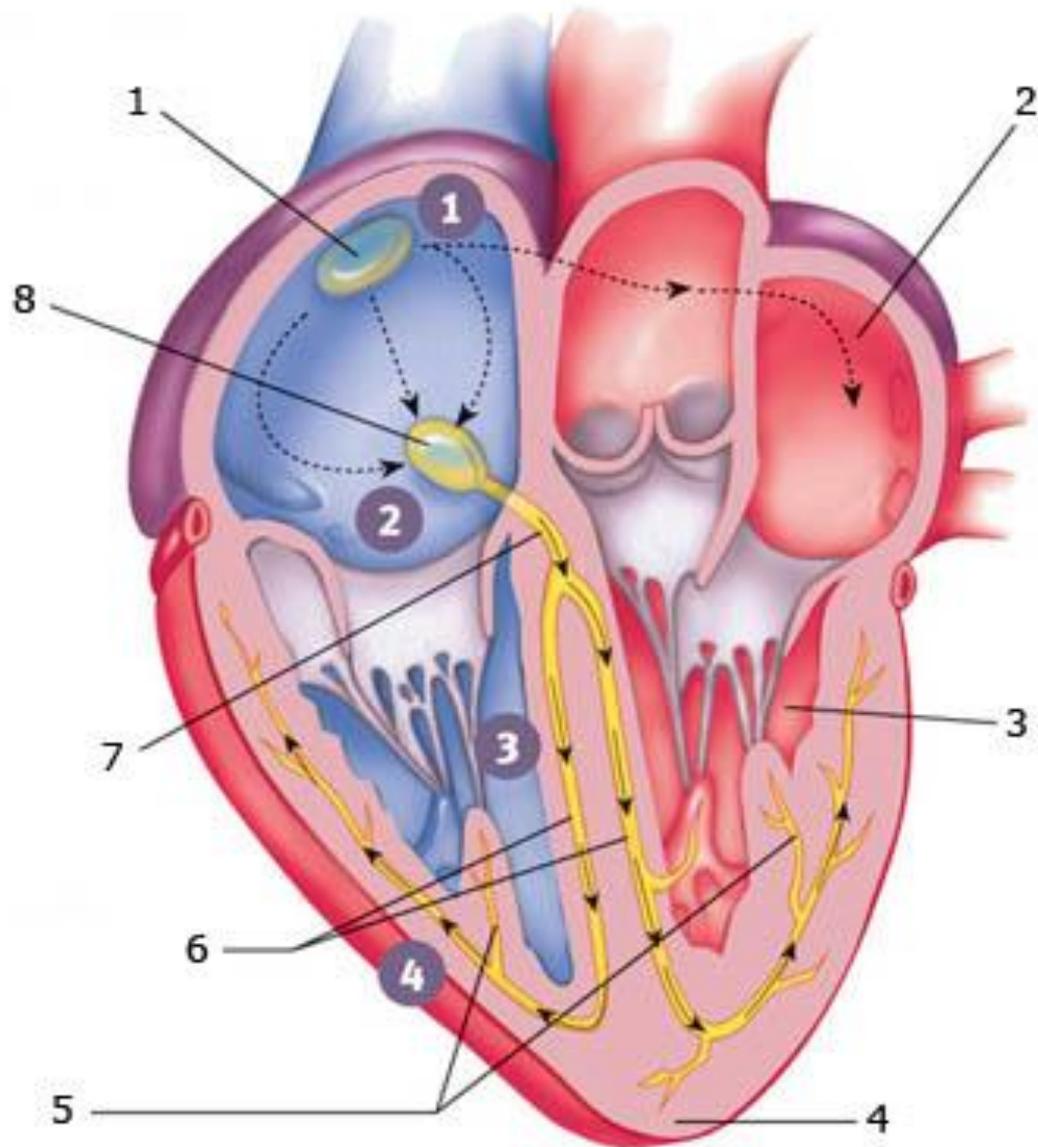

Heart Parts!

Heart Valves
