1. Develop a set of thoughtful questions (answers would not be found easily in a book) for one of the Greeks mentioned in the chapter whom you would be most interested in interviewing. Include some questions about Greek culture generally based on your reading of the chapter.
2. Which ancient Greek do you feel has had the biggest impact on the modern world? How have this person’s achievements affected life today?
3. How are the modern Olympics SIMILAR to the ancient Greek Olympics? How are they DIFFERENT?
4. What characteristics of Greek theater do we see in the modern entertainment industry (TV and movies)? Provide specific examples.
5. Draw 5 artifacts you would expect to find at ancient Olympia. Include a 3 sentence description of each artifact. (Mrs. McMunn has actually been to this archaeological site. She ran on the track.)
