How to study:

- Make flashcards for vocabulary, people, places
- Have a friend/ relative "quiz" you on the key ideas from class notes
- Study in chunks of time (1/2 hour or so) and take breaks so your mind stays fresh
- Think about what time of day YOU learn best
- Study a little over the next couple days versus "cramming" at the last minute
- Relax- if you've been paying attention in class, you've done much of your studying already!
