TRANSPORTATION UPDATES: Superintendent Dart and Director of Teaching & Learning Candace Morell provided updates:

Current MES transportation has been operating very well.

Mrs. Morell is meeting with M & J next week to pin down timelines for creating 2023-24 routes. Anticipated goals are:

- by July 14, expecting first pass at routing data
- by first week of August, verify bus GPS systems are working and have completed run sheets
- by August 16th, test runs of all routes to be done in physical buses, not driver's personal cars

Zonar MyView Bus App is working well. Currently, there are 409 accounts covering 361 students across both schools.

Driver incentives will not be continued in the 2023-24 school year.

ADJOURNMENT: Meeting adjourned at 5:20pm.

Respectfully submitted,
Edith Allison, Committee Chair
