Hartford, CT 06106

Re: 2020 CDBG Grant Submission
Town of Mansfield

Dear Commissioner Mosquera-Bruno:

I am pleased to submit the Town of Mansfield's application for the Small Cities Community Development Block Grant Program. Here is a brief description of our application:

Public Facilities – The proposed project is requesting funds in order to purchase a hybrid aerial /pumper fire truck that will improve the safety of our fire fighters and protect our residents by reducing the need to rely on neighboring departments' mutual aid.

We hope that your Department favorably considers our application.

If you have any questions concerns this application, please contact myself or Linda Painter, Director of Planning and Development at 860-429-3330.

Regards.

John C. Carrington
Interim Town Manager
