

## **CAMP MANSFIELD** – *We make happy campers!*

### **What will Camp Mansfield look like this summer?**

Our staff have been working hard on our developing procedures, guidelines and lesson plans to include health and safety precautions that are required by the state and local health officials. Centers for Disease Control and Prevention (CDC), and CT Office of Early Childhood (OEC). Due to roof construction at Mansfield Middle School we will not be able to use MMS indoor space this summer. Goodwin Elementary School will be our inclement weather location. Camp will be held at the grounds of Mansfield Middle School and Bicentennial Pond.

We are excited to offer children an opportunity to spend time outdoors and engage in healthy social, recreational, and educational experience! Face masks will be required at camp. As we get closer to the start of camp we will see if the guidelines have changed. There will be designated mask breaks throughout the day. During swim time masks will not be required. Campers will wear their masks as they approach the water and place them on their towel prior to entering the water.

Group sizes at camp will be reduced this summer. Campers will only be permitted to

come in contact with other campers in their group/pod of campers and their counselor and/or specialist.

On inclement weather days camp will be held at Goodwin Elementary School. If we are at the Middle School fields and Bicentennial Pond and the weather becomes rainy/inclement during the day, we will have buses pick up the campers and staff and bring them to Goodwin school. Parents and guardians will be notified through email regarding changes in locations and pick up locations.

Check your email for updates regarding camp or call the Community Center 860-429-3015 ext. 0.

Camp Mansfield will still offer specials such as archery, nature, sports and games, kayaking/canoeing. Dependent upon inclement weather specials at camp may be limited or modified.
