**Pursuant to Governor Lamont's Executive Order 7I, enacted March 21, 2020, all public notices, including but not limited to public hearing notices, notices of decision, and notices of proposed changes to adopted regulations and maps for the following entities will now be posted on the Town Website in the Legal Notices section (<http://www.mansfieldct.gov/1713/Legal-Notices>).. Until the public health emergency is over, the on-line posting of these notices shall replace publication of such notices in The Chronicle newspaper and posting of such notices in the Town Clerk's office.**

## **TEMPORARY EXTENSION OF OUTDOOR DINING PROVISIONS**

*The following amendments are proposed to authorize the extension of outdoor dining permits associated with eating and drinking establishments that were approved in the Spring of 2020 pursuant to the provisions for outdoor dining established in Executive Order MM, which is due to expire on April 19, 2021. While the state has authorized restaurants to operate at 100% capacity; social distancing requirements remain in effect, effectively reducing occupancy within restaurants to less than 100% of capacity. With nice weather coming, the need for outdoor dining will continue to exist for restaurants until such time as all capacity restrictions are lifted.*

### **Proposed Changes to Article 7, Section D.7 (Accessory Buildings and uses)**

Add new subsection (i) as follows:

- i. Temporary Outdoor Dining Activities shall be permitted as accessory to all eating and drinking establishments subject to the approval of a special application for temporary outdoor dining or retail activities consistent with the process set forth in Governor Ned Lamont's Executive Order No. 7MM as extended by His Executive Orders 9K and 10A. Approvals issued pursuant to this section shall be valid through December 31, 2021 and shall not be interpreted to create any nonconforming rights. This section shall expire on December 31, 2021.
