Dear Mansfield Staff and Families,

The number of new positive cases of COVID-19 among school members was less today than recent days. There was one case at Goodwin School, two at Vinton, and two at Mansfield Middle School. All contact tracing is complete. All cases continue to appear to be from community spread.

Don't forget, Eastern Highlands Health District is holding a pediatric clinic today and every Thursday at Town Hall from 2:00-6:00. Appointments are required and can be made at [vams.cdc.gov](https://vams.cdc.gov). Go to the Eastern Highlands webpage for more information <http://www.ehhd.org/>.

Sincerely,

Kelly M. Lyman
