

Kelly M. Lyman
Superintendent

January 18, 2022

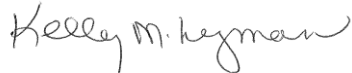

Dear Mansfield Staff and Families,

We continued to monitor positive COVID-19 cases over the long weekend and conducted contact tracing as needed. Today we also learned of a few more new cases. In total, in the last four days there have been 15 new cases throughout the district. These include one case at Goodwin School, one at Southeast, 5 at Vinton, and 8 at Mansfield Middle School.

The media reports a decline in COVID cases in Connecticut in recent days – but a decline is not the elimination of cases. Our continued diligence in the coming weeks will still be needed. The good news is that this latest wave does seem to be of a shorter duration than previous waves.

Stay safe!

Sincerely,

Kelly M. Lyman
