ACTIVITIES: The structure of each program varies slightly; however, all camps emphasize time for creative learning activities and exercises, with time for breaks for snack and/or free play.

SNACKS/LUNCHES: Participants are responsible for providing their own food and snacks. Although water will be readily available, it is strongly encouraged that participants bring a full water bottle each day. Those participating in full day camps will have a lunch break during the day. Please send full lunches that do not require refrigeration, and plenty of snacks.

SUN BLOCK LOTIONS: Specialty Camps may take breaks or complete activities outside. Sun Block is strongly suggested for all camps. Caps are also a good idea for all outside activities. Please apply sunblock to your child prior to the camp day. *Staff will not apply sunblock for your child*, although children will be reminded to do so themselves and may be assisted as necessary.

BRINGING SPECIAL ITEMS TO CAMP: Please do not let your children bring expensive or favorite items to camp such as MP3 players, I-pods/Pads, and computer games. Although the camp is well supervised, the department cannot accept responsibility for lost or stolen items.

LABELING ITEMS: We encourage you to label all clothing and other items for easy return in the event that they get left behind or lost.

CLOTHING: Art camps get messy, so please encourage your child to dress in something other than their favorite outfit. Sneakers are helpful for play breaks, but not required.
