

Peter Dart  
Superintendent

August 4<sup>th</sup>, 2022

Dear Mansfield Families, Students, and Staff:

With heavy heart, I write to share with you that we have recently learned that one of our staff members, Sarah Kaplan, died unexpectedly. Sarah supported students as a ParaEducator at Mansfield Middle School. The Director of Teaching and Learning, Candace Morell who worked directly with her for years as Principal, described Sarah as “a kind hearted, collaborative soul who was deeply committed to helping students.”

Please join me in sending our condolences to Sarah's family and to our students, families and staff who worked closely with her. Counselors and staff will be available today at 3:30pm in the Mansfield Middle School Library to offer support.

Sincerely,

Peter Dart  
Superintendent of Schools
