.....

Question #1:

On page 3 of the RFP, it references an Operational and Financial Controls Review that was prepared for the Town in June 2015, however, we found the attached documents on the Town's website that were dated in January 2015. Therefore, we inquire whether the attached were the documents referenced in the RFP, or if not, where the June 2015 documents are specifically located on the Town's website.

Response:

The following link will bring you directly to the reports referenced in the
