CAMP MANSFIELD GOALS

How we make happy campers!

- Create an environment that is in every way healthful and safe, where encouragement, laughter and fun are the norm. We are smiling underneath our masks!
- Encourage the development of leadership skills in campers of all ages.
- Develop in each camper an appreciation for their natural surroundings, including a concern for preserving our environment.
- Nurture each individual's confidence in their own strengths and skills, while fostering the confidence in the discovery and development of new talents.
- Cultivate an atmosphere that promotes the building of healthy relationships and group problem solving while keeping our distance.

KinderCamp – Special ½ day camp for children entering Kindergarten. Camp meets Monday-Friday from 9 a.m.-Noon. Activities include games, sports, crafts, nature, swimming and more. A daily lunch is provided. (please note full day Kindergarten option below). Half day campers may not participate in all camp activities due to the structure of the day.

Explorers – Our main camp group runs Monday – Friday, 9 a.m.-3 p.m. for children entering grades K – 6. Activities include outdoor games, sports, nature, archery, arts & crafts, canoeing/kayaking, creative games, swimming and special events. Lunch is provided to campers daily. Campers choose from a choice of 3 options each day. (Please note ½ day option above for Kindergarteners)

Adventurers – Our oldest camper group runs Monday – Friday, 9 a.m.-3 p.m. (with possibility of extended hours for some trips) for children entering grades 7-9. Those entering grade 9, have a choice of the Adventurers or C.I.T. programs. Campers have the opportunity to participate in the same activities listed under "Explorers" plus have 2 off site adventure trips, which may include amusement parks, Adventure Park, Ocean Beach, river tubing and more. On Wednesday nights ADVENTS can be dropped off at Bicentennial Pond at 7pm – 9pm. Campers will play games and make s'mores at a bonfire. This program is specifically geared towards helping these young adults build confidence, group problem solving and more. Trip fees are included in the camp fee and a daily lunch is provided. Space in this program is limited.

Those entering grade 9 have a choice between the C.I.T. or Adventurer programs. The C.I.T. program is designed to teach leadership skills in the area of child development, activity planning and group management and lends itself to personal growth that can also be applied to all aspects of life. C.I.T.s can be dismissed if they are not making a positive addition to the program. Maximum age is 15 and space in this program is limited. A C.I.T shirt will be provided for the summer.
