*Quotes will be accepted in electronic format.*

**Summary**

The Town of Mansfield is seeking network switching hardware to support reliable, secure, and effective connectivity for our telecommunications (telephone) and data (computer) networks.

**Core Specifications**

The quote must include the following:

- Quantity 8: HP Enterprise Aruba 2930M 48G POE+ Switch (Part#: JL322A)
- Quantity 6: HP Enterprise Aruba 2930M 24G POE+ Switch (Part#: JL320A)

Mansfield reserves the right to potentially modify the above quantities depending on pricing and available funding.

**Proposal Submission Requirements**

Quotes will be accepted in electronic format only. If there are any additional costs for shipping or otherwise, it should be listed on the quote. Vendors may use a format of their own choosing for the quote. The quote can be submitted at the email address identified earlier in this RFQ. Questions about the process should be directed to the same email address as well.

**Selection Process**

Pricing is the driving factor in the selection process, however it is not the only factor as the Town will consider the vendor's ability to fulfill this product request. The Town reserves the right to select an applicant in a manner that is advantageous to the Town.

The Town does not expressly state or imply any obligation to reimburse responding applicants for any expenses incurred in preparing submissions in response to this request. The selected firm is expected to meet any relevant state and federal legal requirements. The Town is an equal opportunity employer.
