Purpose

Our community, residents, visitors, and businesses access our website and rely on it as an important resource for services online, communication, government transparency, free access to information, and to be aware of Mansfield's offerings.

We are requesting vendor quoting for website hosting services. This will be used to host our website (mansfieldct.gov).

Background

The Town of Mansfield, Connecticut has a population of just over 10,000 year-round residents and is located in the northeastern portion of the state, 25 miles east of Hartford. Mansfield is a vibrant, diverse, and caring community and is known for its public schools, community events, inclusive and efficient government, parks and preserves, protected open spaces, agriculture, and local businesses and educational institutions.

Vendor Submission

Vendors should submit their quote electronically to WebsiteRFQ@mansfieldct.org. The quote should reflect a proposed cost for hosting MansfieldCT.gov. The vendor should be accurate in quoting as Mansfield will ultimately use the document as part of its due diligence in expenditure planning and allocation. Quotes will be accepted in electronic format only. If there are any additional costs for shipping or otherwise, it should be listed on the quote. Vendors may use a format of their own choosing for the quote. Questions about the process should be directed to the contact information at the top of this document.

Implementation Process

Vendor quoting will be used for Mansfield to plan accordingly for costs. Ultimate implementation will require selection of a vendor by Mansfield staff. The selection will consider standard selection factors including the vendor's ability to fulfill the quote, the costs represented in the quote, and a selection that is favorable to Mansfield. The vendor is responsible for submitting a quote for consideration and Mansfield does not expressly state or imply any obligation to reimburse responding applicants for any expenses incurred in preparing submissions in response to this request. Mansfield is an equal opportunity employer.
