Mansfield Public Schools Calendar

The MPS District Calendar is designed to note the start/end dates of school, vacations, early dismissals, and professional learning days. **Snow days are not built into the calendar. Therefore, if the district closes for inclement weather, additional days will be added to the end of school in June to ensure that students attend 182 days of school.** If the total number of snow days exceeds five additional days, consideration will be given to Professional Learning Days and the February/April vacation days.

Mansfield is a diverse and inclusive community that celebrates many cultural and religious holidays. MPS encourages all students, families, and staff members to respect each other's heritage and cultural diversity. The district encourages families to take time as a student excused absence to celebrate and honor various dates that do not currently align to this calendar. A list of dates for secular holidays as well as other festivals and holy days observed in our community is on the reverse side. For more information regarding these events please refer to community calendars and the district's Diversity, Equity, and Inclusion web page.
