**General Camp Information** - Camp Mansfield is a traditional outdoor summer day camp with a wide variety of activities for camper's age 4½ to 15 years old! Camp Mansfield is held on the grounds of Mansfield Middle School, Schoolhouse Brook Park and Bicentennial Pond. Camp is tentatively scheduled to begin on June 28th this year. Activities include archery, arts and crafts, canoeing/kayaking, nature and science activities, sports, cultural arts, variety block (counselors & campers choice), free swim, and swim activity, camp songs and themed special event weeks. Campers are separated into groups based on the grade they will be entering in the fall. All campers must be potty trained and be able to follow the camp rules of safe and positive behavior for themselves and others to participate. The camp runs Monday - Friday from 9 a.m.-3 p.m. rain or shine. 3 daily lunch choices are included in the camp fee for full day campers. Extended "Camp Care" is available before and after the regular camp day to campers for an additional fee.

### **CAMP MANSFIELD GOALS** - *How we make happy campers!*

- Create an environment that is in every way healthful and safe, where encouragement, laughter and fun are the norm. We are smiling underneath our masks!
- Encourage the development of leadership skills in campers of all ages.
- Develop in each camper an appreciation for their natural surroundings, including a concern for preserving our environment.
- Nurture each individual's confidence in their own strengths and skills, while fostering the confidence in the discovery and development of new talents.
- Cultivate an atmosphere that promotes the building of healthy relationships and group problem solving while keeping our distance.

**KinderCamp** - Special ½ day camp for children entering Kindergarten. Camp meets Monday-Friday from 9 a.m.-Noon. Activities include games, sports, crafts, nature, swimming and more. A daily lunch is provided. (Please note full day Kindergarten option below). Half day campers may not participate in all camp activities due to the structure of the day.

**Explorers** - Our main camp group runs Monday - Friday, 9 a.m.-3 p.m. for children entering grades K - 6. Activities include outdoor games, sports, nature, archery, arts & crafts, canoeing/kayaking, creative games, swimming and special events. Lunch is provided to campers daily. Campers choose from a choice of 3 options each day. (Please note ½ day option above for Kindergarteners)

**Adventurers** - Our oldest camper group runs Monday - Friday, 9 a.m.-3 p.m. (with possibility of extended hours for some trips) for children entering grades 7-9. Those entering grade 9, have a choice of the Adventurers or C.I.T. programs. Campers have the opportunity to participate in the same activities listed under "Explorers" plus have 2 off site adventure trips, which may include amusements parks, Adventure Park, Ocean Beach, river tubing and more. On Wednesday nights ADVENTS can be dropped off at Bicentennial Pond at 7pm - 9pm. Campers will play games and make s'mores at a bonfire. This program is specifically geared towards helping these young adults build confidence, group problem solving and more. Trip fees are included in the camp fee and a daily lunch is provided. Space in this program is limited.

**Counselor-In-Training** - This leadership training program meets Monday - Friday, 9 a.m.-3 p.m. for teens entering grades 9 and 10. Those entering grade 9 have a choice between the C.I.T. or Adventurer programs. The C.I.T. program is designed to teach leadership skills in the area of child development, activity planning and group management and lends itself to personal growth that can also be applied to all aspects of life. C.I.T.s can be dismissed if they are not making a positive addition to the program. Maximum age is 15 and space in this program is limited. A C.I.T. shirt will be provided for the summer.

**Camp Care** - Specially designed for the working parents who require additional care for their child beyond the regular day camp. Camp care hours are 7:30-9 a.m. and 3-5:30 p.m. It includes a supervised and partially structured time before and after the camp day. PM Camp care is not available on the last day of camp.

Camp care will be held at Mansfield Middle school (Bicentennial Pond for the Last Week if Camp)

**Campers with Special Needs** - All of our department's summer camp programs support children with special needs. With the assistance of specialized camp staff, campers will be participating inclusively within their same age/grade groups throughout the camp day. Participants with a need for modifications and/or additional support during camp will need to fill out a special assistance form no later than 15 days prior to the start of the camp session.

### **Camp Mansfield Registration Instructions**

- Registration for Camp Mansfield is open. Campers must enroll for a minimum of one full session. Partial session enrollment is NOT permitted. All camp sessions must be paid in full at the time of registration. Registration closes by the Wednesday prior to each camp week at 4 p.m., while space allows.

# Camp Mansfield

- The activity registration form and additional camp form must be completely filled out to be registered for camp. Please be sure to indicate the appropriate camp program and session code on the registration form.
- Although we do everything possible to accommodate all children, we require to meet certain camper to staff ratios. Therefore, it is possible that some camp sections may fill regardless of registration closing date. Please register early.
- Campers requiring special assistance or accommodations must follow the same registration process listed above and must complete a Special Assistance Form at a minimum of 15 working days prior to the start of a new session and must contact the camp director.

## Visual Art Camps

### **NEW! Recycled Art Camp** (Entering Grades 3-8)

This innovative and eco-friendly approach not only encourages creativity but also teaches our young artists the importance of sustainability and resourcefulness. From sculptures made out of cardboard and newspaper to paintings on repurposed fabrics, the possibilities are truly endless. By providing a platform for these young minds to explore their artistic talents while actively contributing to environmental conservation efforts, we are instilling values that will have a lasting impact on their futures. Donate items like newspaper, cardboard, plastic bottles, metal soda tabs etc. We will spend part of the day outside, weather permitting! Participants must pack snacks, a full lunch, and a water bottle. We suggest wearing sunscreen. Dress for a mess and wear layers.

## Minds in Motion

### X IN 1 RENEWABLE ENERGY KIT! (Ages 6-12)

Assemble up to five different vehicles, three different dinosaurs, and two windmills as you work on and take home your very own Renewable Energy Kit! With the X in 1 Renewable Energy Kit, you will construct ten animated building options with child friendly parts that function indoors with the use of a Hand Generator, outdoors with the use of the XL Solar Panel, and indoors and outdoors with the Wind Powered LED. Developing manual dexterity and building confidence has never been this fun! You will learn three separate renewable energy concepts: Hand Generator power, Solar power, and Wind power. With the aid of your instructor, you will utilize the colored instruction manual and work with over 115 pieces to build up to ten exciting models! What is most important, no batteries are required. Indoors or out, this kit operates 100% on renewable energy. With X in 1 Renewable Energy Kit, the fun never has to end! **Bring snacks and a drink.**

### HANDS-ON HYDROPOWER (Ages 6-12)

Come explore the power of water by building models and conducting experiments with your very own Hydropower kit! With your renewable energy kit that you keep and take home, you can assemble up to 12 working experiments. Learn how different devices are used to extract useful energy, from a waterwheel in a small stream to a giant turbine in a tidal power station! The full-color, 32-page manual offers illustrated instructions and scientific information. Build a sawmill, and a hammer mill to harness the energy of moving water to do different types of physical work! With your classmates, you will witness and investigate the intriguing properties of water involving surface tension, adhesion, and cohesion. Construct a hydroelectric power station to generate electricity and light an LED! Learn where the energy in ocean waves, tides, and rivers comes from, and discover how we can generate electricity from them. Come join in this educational and hands-on hydropower fun! **Bring snacks and a drink.**

## Ray Reid Soccer School, Young Stars (Ages 4-13)

Working in conjunction with Men's Head Soccer Coach Ray Reid, we again offer one of the finest soccer camps in the state. This three-hour a day, weeklong program offered for boys and girls ages 4-13, 9am-noon is aimed at developing and improving technique. All players will be exposed to dribbling, passing, receiving, and shooting. The emphasis for players ages 4-8 will be to improve their technique in a fun-filled environment. Players ages 9-13 will be taught technical refinement and receive an introduction to the tactical side of the game. This is a great way for your child to refine and improve his/her skills in a week. All campers will participate in fun, small-sided matches with their appropriate age groups. Players will receive a T-shirt and a certificate of attendance. All campers should come dressed in proper athletic apparel (soccer cleats and shin guards) and bring sneakers. Campers should bring sneakers, a size 4 or 5 soccer ball, snacks (please no nut products), and water. Please label items from home.

**Camp Director:** Ray Reid & Staff
